Please ensure your team is bowling on your designated lane as per the lane draw.
Bowling on the wrong lane may result in a score of zero for that game

RULE 602 BALL SURFACES ALTERATIONS

1. Unless rule 602(2) applies, altering the surface of a bowling ball by the application of any substance, liquid or abrasive, including Abralon or any other abrasive pads or the use of a recognised ball cleaning or polishing machine or ball spinner during a series or session of continuous games is prohibited. Refer to Rule 128 for the definition of a session of games. A ball may be wiped with a clean cloth or towel at any time. Penalties apply – Refer Offence No. 511.
2. In the event any foreign substance like grease, oil, rubber or similar from the machinery or equipment in the Centre is discovered on the surface of a ball in play it may be removed with an approved ball cleaner by the Tournament Director, League Management, Centre staff or a person or persons authorised by them.
3. Use of Abralon Pads
The surfacing of bowling balls using abralon pads or any other product in the player's area at any time is prohibited. This rule is not limited to during competition. If a competition offers a ball surfacing table for this purpose it must be used.
4. All balls in a player's possession will be deemed to be used during a series or session of continuous games.
